2015 **ESCAPE**
ford.com

Go. Empowered by your choice of 3.

The 2015 Escape offers you 3 different engines: a 2.5L Duratec® I-4, a 1.6L EcoBoost®¹ and a 2.0L EcoBoost.¹ Each is mated to our 6-speed SelectShift® automatic transmission. So you can shift for yourself, or leave the fun to Escape.

See inside
EcoBoost

In curves and corners, standard Torque Vectoring Control seamlessly enhances your hold on the road while electric power-assisted steering delivers responsive overall steering feel.

To make itself more aerodynamic and fuel efficient, Escape can adjust its Active Grille Shutters (on 2.5L and 1.6L models). The standard 2.5L puts a zippy 168 hp and 170 lb.-ft. of torque at your disposal.

Our turbocharged, direct-injection 1.6L EcoBoost¹ uses twin independent variable camshaft timing to emphasize fuel efficiency or power output as your input demands. It has an EPA-estimated rating of 32 hwy mpg.² It also produces 178 hp³ and 184 lb.-ft.³ of torque for lively acceleration and passing performance.

For even more fun, step up to the 2.0L EcoBoost¹ with 240 hp³ and 270 lb.-ft.³ of torque. As *The Car Connection* says, "The Escape is one of the best-handling crossovers in its class, and the 240-hp turbo four helps make the most of it."

2015 **ESCAPE**
ford.com

Information Provided by:

¹Available feature. ²EPA-estimated rating of 23 city/32 hwy/26 combined mpg, 1.6L EcoBoost, FWD. Actual mileage will vary. ³Using 93-octane fuel.

Titanium. Magnetic. Available equipment.

Kick. To open or close.

Loading cargo into your Escape has never been easier than with the class-exclusive,¹ foot-activated hands-free power liftgate.² You can even program its fully opened height to the position that works best for you.

Watch the liftgate open

Just kick your foot under the rear bumper with your Intelligent Access² key fob tucked in a pocket or purse. Sensors detect your leg, the motion and the proximity of the fob, triggering the liftgate to open or close on its own.

Titanium. Sunset. Available equipment.

2015 **ESCAPE**
ford.com

See it carry
more cargo

Adapt. To make the most of every day.

With its versatile interior, Escape is designed to help you live life to its fullest. Starting with an overall feeling of open spaciousness that's amplified by the power panoramic Vista Roof.^{®1}

Up to 67.8 cu. ft. of cargo space is yours to fill with the rear seat folded – that's more room than the previous generation Escape offered.

For a flat load surface, fold both sides of the 60/40 split rear seat and place the adjustable cargo load floor² in its highest position.

Discreetly stow your go-to essentials in the front center console. And keep others close at hand in the storage tray next to each front seat. You're always ready for adventure in Escape.

¹Available feature. ²Available with 17" wheels only.

Nurture. Yourself and the environment.

This year, Escape takes care of you and your front passenger with 10-way power, heated, leather-trimmed seats,¹ standard on Titanium. And every model comfortably supports with more hip room and more rear leg room than the previous generation.

Opt for the Audio System from Sony[®]¹ to treat yourself and your lucky passengers to the deep, rich sound of 10 strategically placed speakers and the crisp clarity of HD Radio[™] Technology.

Escape respects nature by putting several materials often destined for landfills to practical reuse. Recycled 20-oz. plastic bottles go into its carpeting, which is a resilient blend of post-consumer and post-industrial polyester fibers. Scrap cotton from jeans, sweaters and T-shirts is turned into sound-absorption material that helps keep Escape quiet inside. To top it off, the vehicle itself is approximately 85% recyclable after it's driven its last mile.

Connect. With voice-activated ease.

Ford SYNC^{®1} with 911 Assist[®] delivers hands-free calls, Bluetooth[®]-streaming music and more with simple voice commands. Once paired, it can download contacts and play music from your smartphone. It can also access your MP3 player, USB or iPod.[®] SYNC AppLink^{™2} lets you control Pandora,[®] iHeartAuto,[™] the SiriusXM[®] App and other select apps by voice, too. SYNC with MyFord Touch^{®1} adds an 8" color LCD touch screen and much more. SYNC. Say the word.

SiriusXM Satellite Radio³ lets you enjoy commercial-free music, plus sports, news, entertainment, and every premium channel with your 6-month All Access trial subscription.⁴ The voice-activated Navigation System³ also includes a 5-year subscription to SiriusXM Traffic and Travel Link[®] services.³ These features provide detailed traffic information on accidents, construction, and road closures, plus local and national weather forecasts, fuel prices and more.

Titanium. Charcoal Black leather trim. SYNC with MyFord Touch. Available equipment.

¹Available feature. Driving while distracted can result in loss of vehicle control. Only use SYNC/MyFord Touch/other devices, even with voice commands, when it is safe to do so. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. ²SYNC AppLink is available on select models and compatible with select smartphone platforms. SYNC AppLink is not compatible with MyFord Touch. Commands may vary by phone and AppLink software. ³Available feature. ⁴Trial subscription also includes access to SiriusXM Internet Radio on your computer, smartphone or tablet. Satellite and Internet Radio lineups vary slightly.

Get away. Intelligently.

See 4WD
in action

Headed out of town? Take the road less traveled with confidence in your 2015 Escape with the Intelligent 4WD System.¹ Assessing conditions about 20 times faster than the blink of an eye, this on-demand system readjusts as needed to deliver the right blend of handling and traction at all times. Whether you're challenged by a sudden downpour, loose gravel, or even a snow-packed road, 4WD can help keep your adventures on track.

Up the fun factor. Confidently.

Equipped with the 240-hp 2.0L EcoBoost® engine¹ and the Class II Trailer Tow Prep Package, Escape has the power, sure-footedness and confidence it needs to tow up to 3,500 lbs.² And you can handle it all with confidence too.

Trailer sway control¹ will help by monitoring the motions of your vehicle to detect trailer sway. If needed, it can reduce engine speed and selectively apply the brakes to help you maintain control of both the vehicle and the trailer.³ Play smarter in the 2015 Escape.

Titanium. Deep Impact Blue. Available equipment.

¹Available feature. ²When properly equipped. ³Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions. ⁴Using 93-octane fuel.

2015 **ESCAPE**
ford.com

Let it assist you. Thoughtfully.

Escape driver-assist technologies¹ use ultrasonic sensors and sophisticated radar to help you with parallel parking, avoiding collisions and more.

See how it all works

Make parallel parking easier with active park assist.¹ This system not only helps you find a spot, it actually steers the vehicle into place while you control the gear shifter, and brake and accelerator pedals.

Stay alert to traffic detected in blind spots thanks to BLIS[®]

(Blind Spot Information System) with cross-traffic alert.¹ It helps warn you using lights embedded in the sideview mirrors.²

Help gauge how close something is to the back of your Escape using the standard rear view camera and its color-coded distance guidelines.³ A dotted center line is also included for help lining up with a trailer.

For your convenience, active park assist and BLIS with cross-traffic alert are included in the Titanium Technology Package, along with high-intensity discharge (HID) headlamps, rain-sensing windshield wipers, and a Forward Sensing System.

¹Available feature. Driver-assist features are supplemental and do not replace the driver's judgment.

²BLIS replaces standard integrated blind spot mirrors. ³Available SYNC[®] with MyFord Touch[®] screen shown.

2015 **ESCAPE**
ford.com

Maintain peace of mind. Rain or shine.

When it comes to your safety and security, Escape takes a proactive, personalized approach. On every ride. In a wide range of weather conditions.

Among its 7 standard airbags, you'll find several that utilize the latest adaptive technology to help tailor them to occupant size, including the driver and front-passenger front airbags and the front-seat side airbags.

If it senses you're taking a curve too quickly, Curve Control helps reduce the vehicle's speed by up to 10 mph in approximately 1 second.¹ This feature is effective on wet or dry pavement, and expected to be particularly useful on highway ramps. As part of AdvanceTrac® with RSC® (Roll Stability Control™), Curve Control is standard on every 2015 Escape.

ford.com

New Vehicle Limited Warranty. We want your Ford Escape ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage – all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

Ford Extended Service Plan. For a purchase or lease, the Ford Extended Service Plan (ESP) gives you peace-of-mind protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for a Ford ESP, the only service contract backed exclusively by Ford and honored at all Ford Lincoln dealerships.

Insurance Services. Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1-877-367-3847, or visit us at fordvip.com for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company.

Ford Original Accessories will be warranted for whichever provides you the greatest benefit: 24 months/unlimited mileage, or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer's warranty. FLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.

Comparisons based on competitive models (class is Small Utilities), publicly available information and Ford certification data at time of release. Vehicles may be shown with optional equipment. Features may be offered only in combination with other options or subject to additional ordering requirements/limitations. Dimensions shown may vary due to optional features and/or production variability. Information is provided on an "as is" basis and could include technical, typographical or other errors. Ford makes no warranties, representations, or guarantees of any kind, express or implied, including but not limited to, accuracy, currency, or completeness, the operation of the information, materials, content, availability, and products. Ford reserves the right to change product specifications, pricing and equipment at any time without incurring obligations. Your Ford Dealer is the best source of the most up-to-date information on Ford vehicles.
